SMART CONTROLLER REBATE PROGRAM

The rebate amount of up to \$250 to purchase and install a new EPA WaterSense  approved Irrigation Controller. Limit one (1) WBIC Rebate per treated water account.

Rebate Eligibility Requirements:

1. You must be a treated water customer of PCWA. The Irrigation Controller must be installed at the service address listed on the application.
2. Applicant must purchase and install an EPA WaterSense approved Weather Based Irrigation Controller. Some models require an additional sensor installation. For a list of eligible Irrigation Controllers please visit:
<https://lookforwatersense.epa.gov/products/Product-Search-Results-IrrigationController.html>
3. Total rebate amount will not exceed the amount paid for the Irrigation Controller. Rebate does not include installation costs.
4. You do not qualify for the Smart Controller rebate if you are replacing an existing EPA WaterSense Weather Based Irrigation Controller with another EPA WaterSense Weather Based Irrigation Controller.

Follow these steps to receive a rebate:

1. Applications must be received, and controller installed, within 60 days of purchase date.
2. The sales receipt for the Irrigation Controller must be included with the application along with a picture of the installed Controller.
3. Complete, e-Sign and submit the online application form. **The rebate will not be processed without the sales receipt.**
4. Rebates are issued in form of a bill credit.

Duration: The rebate program is offered on a first-come, first-served basis and will continue until all approved funding is depleted. Receipts or invoices must be dated for the current calendar year and receipts from prior years do not qualify. The rebate amount will be credited to your account. This program shall be subject to change or termination without prior notice.

Verification of installation: PCWA reserves the right to have an Agency representative verify the installation of the product(s) at the service address on the application.

Rebates: This program offer is for a rebate of **\$250** to and install an EPA WaterSense approved Weather Based Irrigation Controller.

Rebates may be considered taxable income. Any tax consequences arising out of the receipt of a rebate are the exclusive responsibility of the applicant.

Disclaimer: Placer County Water Agency (PCWA) reserves the right to deny an application of any participant who does not meet all requirements as outlined. PCWA reserves the right to change the terms of this program at their discretion. PCWA is not responsible for receipts or paperwork lost in the mail. PCWA cannot guarantee that the installation of the product(s) will result in lower water utility costs. The number of rebates is dependent upon the availability of program funds. Applications will be processed, when all required information is provided by the applicant; on a first-come, first-served basis.
