**General Note:** Pursuant to California Government Code Section 66013(d)(4)(C), the Agency shall make available each public improvement that is anticipated to be undertaken in the following year. Attached is an excerpt from the Capital Investment Program section from the Agency's following year annual budget document.

**Note 1:** Investment interest earned can vary from year to year, including being a negative amount in certain years, based on the reporting of changes in the fair value of investments.

**Note 2:** Pursuant to California Government Code Section 66013(d)(5), the Agency shall make available a description of each interfund transfer or loan made from the capital facilities fund. The information provided, in the case of an interfund loan, shall include the date on which the loan will be repaid, and the rate of interest that the fund will receive on the loan. The interfund loan to Merry Knoll Improvement District #37 had an initial loan amount \$103,575 in 2002, at 5% maturing June 26, 2023. This loan was paid off in 2021.

**Note 3:** Pursuant to California Government Code Section 66013(d)(4)(A), the Agency shall make available each public improvement on which charges were expended and the amount of the expenditure for each improvement, including the percentage of the total cost of the public improvement that was funded with those charges if more than one source of funding was used, and Code Section 66013(d)(4)(B), each public improvement on which charges were expended that was completed during that fiscal year. This information is provided on the attached Water Connections Charge Capital Projects List.
